BEHAVIOR MANAGEMENT

It is the Y's goal to provide a safe, secure, and healthy environment for all children who attend our program. The Y program emphasizes the six core values when working with students who attend our program:

- To respect all students and staff
- To take responsibility and be accountable for one's own actions
- To make honesty the basis for all relationships and interactions
- To care for ourselves and those around us
- To treat each other equally despite our differences
- To include all students in program activities

Counselors have a support network of supervisors to aid them in certain situations or concerns that may arise.

The staff will use positive reinforcement as much as possible with the campers. If a disciplinary need arises, campers will be placed in either individual or group time outs. Certain behaviors may result in a write up. Continued misbehavior or severe acts of misconduct by a camper may result in immediate excusal from the program.

We will not hesitate to quickly inform parents/guardians of their camper's behavior if it disrupts the program (fighting, bullying, swearing, stealing, hitting, biting, disrespect, non-compliance and general misbehavior). If a solution is not found, the camper will be sent home and there will be no refund of program fees.

In certain circumstances, we will be forced to withdraw children from our program. Depending on the severity of the circumstances, notice may be waived. Refunds will not be issued in this instance. The following circumstances may warrant immediate expulsion:

Any destructive, violent behavior by a child that is harmful to the child, other children, staff and/or property

Assault or threat of assault by parent/guardian or camper to campers, other parents/guardians or staff

Parent/Guardians' use of abusive language or any inappropriate behavior towards others

Non-compliance with the policies and procedures of the site

Non-payment of fee, an outstanding balance, or failure to follow registration policies.

Continual lateness when picking up of a child

Please note that depending on the situation your child may be temporarily suspended from the program and the parents will be required to find alternate arrangements. Suspension dates cannot be chosen by the parent/guardian. If a suspension occurs staff will call parents before the child is picked up to let them know.

Please make note of our Disciplinary Action Policy:

A write-up may be given out to a child in the event that they are misbehaving, using inappropriate language, or violent actions towards other students or staff. Inappropriate language or violence towards others is an automatic write-up, if there is a case of self-defense we will look into what happened and work to find a resolution and appropriate disciplinary actions will be taken.

1 Write-up = Warning

2- Write-up = Discussion with Child Care Coordinator

3- Write-ups = 1 Day Suspension—Meeting with Parents and child

4—Write-ups = 2 Day Suspension

5- Write-ups = 3 Day Suspension

6- Excused from Child Care Program

* Please go over these policies with your child/children so they understand there are consequences for their actions*
